LETTER FROM THE GENERAL MANAGER

Happy March, Eaglebrooke!

As we begin this month's newsletter, I want to take a moment to recognize two outstanding team members who have truly gone above and beyond.

First, a huge shoutout to **Ben Paiva** from Outside Operations. Over the past year, Ben has stepped up in a big way, becoming an invaluable part of our Golf Operations team. His dedication and hard work since joining us in 2022 have not gone unnoticed, and we are incredibly grateful for his commitment to ensuring a great experience for our members and guests.

LETTER FROM THE GENERAL MANAGER

Secondly, I'd like to highlight **Madison Fletcha** from our Food & Beverage team. Since joining us in September, Madison has made an immediate and lasting impact. Her enthusiasm, professionalism, and dedication to exceptional service have helped elevate the experience in our dining areas.

Ben and Madison, thank you both for your hard work, positive attitudes, and the difference you make every day. Keep up the amazing work—we appreciate you!

We have some exciting marquee events to look forward to this month. First up is the EWGA Invitational on Wednesday, March 5th. This year's theme is *Senoritas & Margaritas*, and we are thrilled to welcome ladies from clubs throughout Central Florida for this fun and festive event.

Right around the corner is the Club Championship, where we will host Men's and Women's divisions to crown this year's best in the Championship, Senior, Super Senior, and Legacy flights. This two-day, 36-hole stroke play event, featuring both Gross and Net scoring, will take place on March 15th and 16th. The sign-up sheet is now available in the Golf Shop, so be sure to secure your spot.

We are also gearing up for the Men's Invitational, scheduled for April 4th, 5th, and 6th. This popular event filled up fast, with 72 teams signing up within hours of opening registration. We wish all our participants the best of luck and look forward to an exciting competition.

The new hitting mat on the range tee has been completed, providing a fantastic enhancement to our practice area. To start, all golfers will use the hitting mats on Mondays and Tuesdays as part of a weekly rotation. We will continue to assess and make adjustments as needed to improve the overall practice experience.

Looking ahead, the golf course closure and renovation project is set to begin on Monday, April 7th. In preparation, we will start spraying out the grass on the greens and collars, with the first chemical application scheduled for March 17th. You will notice off-color conditions from that point through April 6th.

LETTER FROM THE GENERAL MANAGER

During the closure, we are pleased to offer our members discounted rates and access to neighboring clubs. Please note that rates and restrictions will vary by facility, and all tee time reservations must be made through our team. In addition, we are excited to announce that a new golf simulator will be installed in the pro shop, available for member use starting Saturday, April 11th. To reserve simulator time, please contact the Golf Shop.

As we navigate this renovation period, our hours of operation will be adjusted based on demand. Below you will find an updated schedule. We will keep you updated if this changes.

LETTER FROM THE SUPERINTENDENT

With warmer weather on the horizon, we're finally starting to see some growth and recovery in the worn areas of the golf course. In late February, we applied our first full-coverage fertilizer with pre-emergent for the season. This application will help prevent many of the weeds we typically struggle with from sprouting throughout the spring. These weeds have become increasingly resistant to some of the products we use, so I've been rotating treatments to prevent them from building up a tolerance. So far, most are still responding well to our treatment plan.

We've also made great progress with the finer details on the course. We trimmed a number of trees in key areas to improve sunlight exposure and air movement. Notably, we removed two medium-sized oak trees near the #12 tees to open up the area and reduce the root issues golfers encounter when exiting their carts. Additionally, we cut the large viburnum hedge along hole #18 in half, which will significantly enhance light and air circulation along that hole, benefiting the tees and the left-side cart access points. Some areas may look a bit sparse right now, but these trees and hedges will fill out over the season. This will allow us to use better pruning techniques for improved shape and growth moving forward.

We're also gearing up for some major improvements on the course in the coming months. We're in the final planning stages of the upcoming greens renovation, and I'm working closely with our contractors to ensure a smooth process. In mid-March, I'll begin spraying out the existing greens, with two applications spaced two weeks apart. This approach will thoroughly eliminate the current turf before the renovation begins. While it may be unusual to play on dead, brown greens during the last few weeks of March, my goal is to keep them as smooth as possible – and they'll definitely be FAST!

Thank you for your continued support and understanding as we work to enhance your golfing experience. We're excited about the upcoming improvements and look forward to seeing you out on the course!

LETTER FROM THE SALES & EVENT COORDINATOR

Happy Spring, Y'all!

We're off to a fantastic start in 2025, and February was an incredibly busy month here at The Club at Eaglebrooke! We were thrilled to host a variety of events, including two beautiful weddings, a lively reception, an exciting golf tournament, five corporate gatherings, a memorable 80th birthday celebration, and even a few delightful baby and bridal showers. It was truly an honor to be a part of these special moments, and we are grateful to everyone who entrusted us with making their events unforgettable.

LETTER FROM THE SALES & EVENT COORDINATOR

Looking ahead, March is already shaping up to be another action-packed month! We're gearing up for several golf tournaments, a large corporate event, and a variety of other gatherings that promise to keep our team on its toes. We're also excitedly preparing for the highly anticipated Member-Guest Weekend, which is always a highlight of the year. We can't wait to welcome members and guests for an unforgettable experience!

As always, I look forward to seeing all of you around the club. Whether you're attending an event, enjoying a round of golf, or simply stopping by for a bite to eat, don't hesitate to swing by and say hello—I'd love to catch up!

Thank you for your continued support and for making The Club at Eaglebrooke the vibrant community that it is. Here's to an exciting spring season filled with fun, laughter, and memorable moments.

See you soon!

LETTER FROM THE MEN'S GOLF ASSOCIATION

We are thrilled to announce that attendance at MGA events this year has been nothing short of exceptional, setting new records along the way! The incredible support from our members has been outstanding and is greatly appreciated. Thank you to everyone who has participated and contributed to the success of our tournaments.

Don't forget to sign up for our last tournament before course renovations begin! Mark your calendars for March 22nd, when we'll be hosting a 2-Man Scramble. Teams will be assigned by course handicap, with flights for AB and CD pairings to ensure competitive play for all. Don't miss out on this exciting event—register now to secure your spot!

We're also gearing up for one of the most anticipated events of the year (second only to the MGA Cup, of course)—The Member-Guest Tournament! Once again, your MGA will be hosting the Calcutta, a thrilling evening of fun and competition. This year's event will take place on Thursday, April 3rd, at 6:00 PM in the banquet room.

Please note, the Calcutta is not sanctioned or sponsored by The Club at Eaglebrooke and is entirely under the responsibility of the MGA. Last year's Calcutta generated an impressive \$52,950.00 in winnings, and we're aiming to make this year even more successful!

To help cover expenses and ensure the success of this event, we are offering Tee Signs for purchase. Each sign is \$100.00 and will be displayed for all three days of the Member-Guest Tournament. This is a fantastic opportunity to showcase your business or give a shout-out to someone special. You do not need to be an MGA member to purchase a tee sign. To place an order, please reach out to Rod Davis or Tim Milcich, or pick up a form in the Pro Shop. Payments can be made in cash or by check, payable to Eaglebrooke MGA, and left in an envelope with the Pro Shop staff.

We would like to extend our sincere gratitude to our sponsors for their continued support:

- Lopez & Humphries, P.A.
- Carrabba's South Lakeland
- TurfX

Your contributions play a vital role in the success of our events, and we truly appreciate your partnership. Thank you once again to all our members, the incredible staff at Eaglebrooke, and our generous sponsors. We look forward to seeing you at the upcoming events and wish everyone the best of luck on the course!
